CARE 1

Dear Supporters:

Here we are, it's fall once again and the year 2020; one of the most difficult years we all have faced and are facing in our lifetimes.

While at CARE health and wellbeing are our first priorities, we must also consider the financial implications of the virus on our organization. **We are suffering a very significant drop in our monetary, food, litter and cleaning supplies donations that are so necessary for the care of our rescued cats and dogs at our sanctuary.** Yet our mission of saving homeless cats and dogs continues tirelessly.

**As a non-profit organization that depends on your generosity to feed and care for animals, we are deeply concerned about how this pandemic is affecting the animals who depend on us.** So many dogs and cats are having a very tough time this year. So many families are facing huge physical and emotional stresses from illness to job loss which are making it more likely for animals to end up homeless. We are dealing with the most heartbreaking and demanding of times.

*If you are in the position, it would be wonderful if you were able to help us so we can be there for the animals who so desperately need our help, love and care. That is why I would like to ask you – will you please consider helping us through these uncertain times by giving a gift of love to support our mission? Any amount goes a long way. IF YOU CAN, PLEASE SEND A GIFT TODAY.*

We also have wish lists on Target, Walmart and Amazon Smile where you can choose food and supplies to purchase and have delivered directly to our Sanctuary. Please check the donations page on our website for links to those wish lists and others.

We all at CARE send you our best wishes to stay safe and for good health to you and your loved ones.

Thank you!

Maria Porter –President—Sanctuary Manager

CARE 2

Here are some of the wonderful dogs and cats that call CARE home. Please HELP us make their lives even more comfortable. *You are the ones who make it all happen.* The little guys in this issue and many more at CARE are looking for forever homes! Maybe it might be yours!!! **Please donate so our mission can go on and we can keep on rescuing those at risk - the voiceless ones in jeopardy, the ones without a place to call home! We cannot do it without your HELP and KINDNESS!!**

Wilbur, this sweet boy is looking for a forever loving home. He still a little baby!!!

Senior little Becky, look at this adorable big eyes girl. Looking for a forever loving home!!!

This little black cutie is Sofi who was rescued in Mexico by Sonia, a staff member. As Sonia was getting close to go through border control, she noticed something moving in a big pile of trash. She stopped to check it out and to her surprise and sadness, found a very skinny, boney little puppy scuffling around trying to find something to eat. What a heartbreaking sight! She could not leave this poor defenseless little angel there to die, and so that is how little Sofi came to CARE. **Today she is healthy, loving, friendly, very energetic and looking for a forever loving home!**

Look who found a forever loving home together, bother and sister Maya & Zazu. We are so happy they are together, they are very bonded pair!!

Supported entirely by donations from individuals and foundations, CARE maintains a no-kill, cage-free “Home Sweet Home” for 300 plus homeless cats & dogs in a rural area north of Los Angeles. The CARE sanctuary is licensed by the County, proudly earning “A” ratings at every inspection! We are committed to saving the lives of homeless dogs and cats by rescuing at-risk animals, placing adoptable pets in homes of their own, and caring for those awaiting adoption (even those considered “unadoptable”), for the rest of their lives if need be. The CARE sanctuary demonstrates that is possible to provide a comfortable and loving home for groups of “unwanted” or “surplus” animals who otherwise would have, at best, an uncertain future. By supporting CARE, you are not only helping many wonderful animals, you are also standing up for the idea that animals do matter, and that they deserve loving care!

This adorable cat is Jaws (he came with that name) and he was owner relinquished. He is 9 years old and a sweetheart. If you are looking for a best and loving friend do not look any further; Jaws is the one for you! We are giving him a lot of love but we would love to see this sweet boy in a forever loving home. Our young volunteer Tomy is giving him extra love and attention.

**Please consider giving this honey of a kitty a forever home!!**
