## 2014 Fall in Southern California!

Meet the two newest additions to the C.A.R.E. family - Karma (right) and Carlos (left). We're assuming they're sister and brother but aren't sure because these 2 adorable souls were deposited in the middle of the night in an old cage in the driveway of our sanctuary. About 2 1/2 months old, they are very sweet, friendly, happy little guys, looking for forever loving homes. Could it be yours?

CARE 1

Dear Friends:

Thank you for your commitment to our rescued cats and dogs and for your continued support! You are an inspiration to all of us because you believe as we do - that every living being is a soul who deserves a great quality of life, free of abuse and neglect.

Over the coming months we are looking forward to expanding and improving our facility so that we can continue providing an even better quality of life for the wonderful cats and dogs who call C.A.R.E. home, and so that we can save more “at risk” souls.

**By having a no-kill place like C.A.R.E.,** together we are inspiring people in this country and even around the world, to keep working to end the terrible killing of thousands of homeless dogs and cats which happens every day. Together we can do it - it can be done. We cannot wait for that day when each one of the dogs and cats on this earth will live with a loving family and the killing will never happen again!!! We look forward to that day, too, when all beings on this earth will be treated with compassion and respect.

On behalf our rescued pets, we thank you for your friendship and look forward to your continued support and commitment to create a better world for every single animal in need.

**Our rescued pets need YOU to survive and C.A.R.E. needs YOU to go forward with our mission!!!**

Sincerely,

Maria Porter -Sanctuary Manager  
Secretary-Treasurer

CARE 2

Neco is a totally adorable senior little Shih Tzu - simply adorable! His history is somewhat misty. We only know that some people had him and neglected him. We do know that these people, whoever they may be, passed him on to other people who DID notice that something wasn't right with the poor little one. They took him to the vet to find that he suffered from advanced diabetes and was blind. They did what they could for him but soon realized that he needed more help than they were able to give. They contacted C.A.R.E. and, so, Neco became one of C.A.R.E.'s "fur folk".

As soon as we received him, he went to our vet's. They found that his blood sugar was ragingly high at over 900!! Due to his untreated diabetes, he was now also blind, his eyes no longer producing tears. He spent 2 weeks in the hospital to bring his blood sugar under control and develop a treatment regimen. There the staff came to love him, telling us that despite all the poking and medical treatment, he was always incredibly gentle and sweet.

Neco is now in a foster home where he receives twice daily insulin injections, 2 different eye ointments twice a day and eye drops 3 times a day to keep his poor little eyes lubricated. He will need to go to the doctor frequently, to make sure the treatment regimen is working. He may also have Cushing's disease but it is too soon to tell. He is also going to need dental work as soon as his overall health will allow as his poor little mouth is in pretty bad shape. Nevertheless, **Neco is enjoying his little life**, has a lot of love to give and is receiving lots of love from his foster "mom", who cares for and loves him very much.

**Please help us with Neco's vet bills** - no amount is too small and will be so greatly appreciated! Our Sanctuary cares for over 300+ cats and dogs every day!!! Noah and little Karl, a C.A.R.E. rescue, and one of 300 plus cats and dogs who will benefit from the kindness and generosity of this young man. Thank you, Noah, for helping make the world a better place for the little ones without a voice!!!

Supported entirely by donations from individuals and foundations, C.A.R.E. maintains a no-kill, cage-free "Home Sweet Home" for 300 plus homeless cats & dogs in a rural area north of Los Angeles. The C.A.R.E. sanctuary is licensed by the County, proudly earning "A" ratings at every inspection! We are committed to saving the lives of homeless dogs and cats by rescuing at-risk animals, placing adoptable pets in homes of their own, and caring for those awaiting adoption (even those considered "unadoptable"), for the rest of their lives if need be. The C.A.R.E. sanctuary demonstrates that it is possible to provide a comfortable and loving home for groups of "unwanted" or "surplus" animals who otherwise would have, at best, an uncertain future. By supporting C.A.R.E., you are not only helping many wonderful animals, you are also standing up for the idea that animals do matter, and that they deserve loving care!

"My name is Noah and I recently did a volunteer project for C.A.R.E.. Since I am only 13 and not able

to help out at the sanctuary, I decided to have a food drive at school. For a month I collected recyclable items and turned them into cash. With the money earned, I went to the local pet store and purchased a variety of food

for cats and dogs at the sanctuary. I know it's just a little bit, but I hope it will help out as I feel this is a wonderful organization. I love animals and hope to continue doing more for C.A.R.E. in the future."

**C.A.R.E. is so honored to benefit from the selfless efforts of this exceptional young man!!! We, too, hope Noah will continue helping C.A.R.E. and our wonderful rescued pets!**
