

Rescuing at Risk Dogs & Cats in Southern California since 1992

HAPPY HOLIDAYS FROM ALL OF US AT CARE!

This very handsome Red Doberman Pinscher is Chico. Chico was turned in by his owner to our sanctuary at 12 months old weighing ONLY 40 pounds; the average for a male at that age should be 70 - 80 pounds. After vet care, blood testing and medication he is gaining weight and looks so much healthier. He is very sweet, intelligent and loves his foster mom. He does have a little separation anxiety which we are working on. This beautiful boy will be available very soon for a forever loving home.

Love, kindness, safety and respect will make all the difference in the world to abused and neglected animals. Please HELP us so we can HELP the ones at risk!

Dear Supporters:

Here we are another year is almost over and I must say it sure has been a crazy year. By now, most of us are ready to lose our minds (maybe just me)! **Our Holiday wishes and prayers for 2022 are that:** the epidemic ends, there is no more loneliness, no more sadness and loss of life; that we treat all living creatures with kindness, compassion and respect; that we accept each other's differences - after all, that is what makes us unique and special.

This special season is a time to enjoy with family and friends, time for good food and to exchange gifts. Is also time to remember the less fortunate - the ones in great need of our HELP, the ones in the cold of the winter without a place to call home - humans and non-humans. Together let's open our hearts to HELP the forgotten ones and those in desperate need of a kind gesture to renew faith in humanity.

The last 2 years have been very rough, overwhelming and very scary for small non-profit charities like CARE. **We are humbly asking if you are in a position to donate**, please send a gift of love to help with veterinary care, food, and kitty litter for our residents. Our food bills and veterinary bills have been very high in the last few years; we are in great need of your generosity.

Next year 2022 is going to be CARE's 30th anniversary and it would be so wonderful if we could have an anniversary present of the completion of the construction of the 2 new buildings! It's a "pearl" anniversary but we'll settle for just wood and cement! Would you help us realize this dream this special year?

We want to send special THANKS to all our donors including the anonymous ones. We could not do it without YOUR generosity. **THANK YOU!!**

May peace, joy, and love visit you and your loved ones this holiday season and all year long! Happy Holidays, Merry Christmas, Happy Chanukah. Peace on Earth and Goodwill to All and STAY SAFE!

Thank you so very much for your generosity and friendship!

Supported entirely by donations from individuals and foundations, CARE maintains a no-kill, cage-free “Home Sweet Home” for 300 plus homeless cats & dogs in a rural area north of Los Angeles. The CARE sanctuary is licensed by the County, proudly earning “A” ratings at every inspection! We are committed to saving the lives of homeless dogs and cats by rescuing at-risk animals, placing adoptable pets in homes of their own, and caring for those awaiting adoption (even those considered “unadoptable”), for the rest of their lives if need be. The CARE sanctuary demonstrates that is possible to provide a comfortable and loving home for groups of “unwanted” or “surplus” animals who otherwise would have, at best, an uncertain future. By supporting CARE, you are not only helping many wonderful animals, you are also standing up for the idea that animals do matter, and that they deserve loving care!

HAPPY HOLIDAYS!
